2009-2010 School Year

Dear Prospective Parent/Guardian:

Thank you for your inquiry regarding Calvary Chapel Academy (CCA). We have enclosed the information requested which details our school's program along with the necessary registration papers.

We understand that the decision of selecting a school that will best meet the future needs of your family is an important one. The vision and philosophy of any school you consider should be a clear extension of your own personal beliefs and values. Selecting a private Christian school does not only require an investment of your time and money, but a commitment to uphold and reinforce those standards and characteristics of that particular school. As you prayerfully consider submitting an application for your child at CCA, I encourage you to first read through all the enclosed information.

As a ministry of Calvary Chapel Rio Grande Valley (CCRGV), we will uphold and reinforce the same belief systems as the church. As a ministry of the church, we at CCA will fulfill God's calling to assist parents in their God-given responsibility to educate their children (Deuteronomy 6:7-9 and 11:19-21). CCA emphasizes a strong biblically based program with accelerated academics and a high level of parental involvement. Therefore, CCA seeks to bring to its campus students and families who are also committed to spiritual, intellectual and personal excellence.

CCA is intended to meet the needs of Calvary Chapel Rio Grande Valley families and others who are in agreement with our vision, mission, statements of beliefs and philosophy. All applicants accepted into our program will be required to support and comply with our biblical beliefs and behavioral standards. Our admissions committee carefully reviews each application in relation to the eight areas of consideration as outlined in our admissions policy (enclosed). While our admissions policy is designed to enroll students primarily from Christian families, we do make some exceptions after prayerful review and consideration as led by the Holy Spirit.

If you have any questions, my staff & I would be happy to assist you. You are invited to call and schedule an appointment with one of our office assistants to tour our campus.

May God bless you as you seek His will in this important matter.

In His service and yours,

Johnny Sanchez
Principal
